GEN-Z

COLLECTION

GEN-Z

The **Gen – Z** collection brings the innovative look in **Creavit** production philosophy to bathrooms. Innovative solutions for bathrooms come into our lives with designs that completely change the aesthetic perspective in the **Gen-Z** collection.

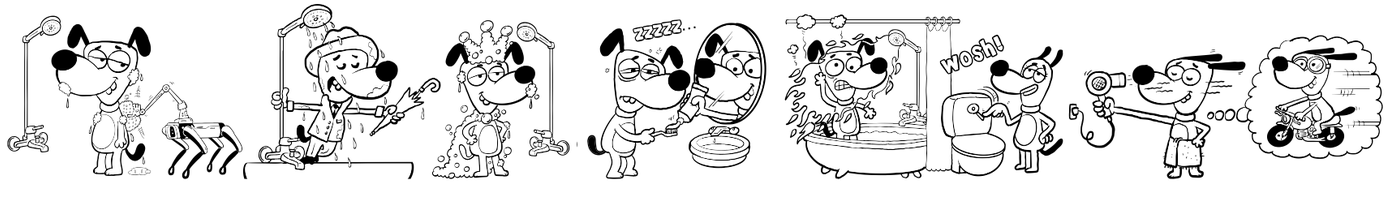

Technology has found its Design in Gen-Z

Creavit design team and R&D continue to bring the convenience and innovations that technology brings to our lives to our bathrooms... Here are the design models of **Gen-Z** that will make your bathroom unique:

ZZZZZ...
WOSH!

Digital Printing

Do you want details that reflect you in the details of your bathroom? If you say art is indispensable for you and you want to design your bathroom like an art gallery, **Gen-Z** art is just for you. In our series that integrates space with art, you can exhibit classic and new works made especially for you and bring an eye-catching aesthetic to your hygiene area.

Relief

Discover art and aesthetics in every corner of your bathroom! **Gen-Z** adds an art gallery atmosphere to your bathroom with its specially designed sink reliefs. Each relief pattern brings to life the magic of art on the sink.

These artistic touches bring aesthetics and originality to your hygiene area beyond just functionality. Fill every moment of your bathroom with art and surround yourself with a work of art every day with **Gen-Z** sinks.
